MALAWI ASSOCIATION FOR CHRISTIAN SUPPORT CIO

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2022

The Trustees present their annual report together with the financial statements of the charity for the year 1 April 2021 to 31 March 2022.

Objectives and activities

a. Policies and objectives

The main objective of the charity is to promote any charitable purpose in Malawi, including the advancement of education, the relief of poverty, sickness and distress, the preservation and protection of health and the advancement of Christian religion particularly by supporting the pastoral work of churches and the support of charitable Christian institutions in that country.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Activities undertaken to achieve objectives

Individuals and organisations are invited to donate to a General Fund which can be used for any charitable purpose in Malawi. If requested, donations can go to specific categories e.g. Education, Health, Community projects, Church support and Women's projects. MACS supports local groups and organisations but not individuals. The majority of requests for help come via the Anglican Dioceses in Malawi.

MACS builds and repairs classrooms and teachers' houses. The charity makes grants to hospitals and health centres for improvements to existing facilities and the building of staff houses. School children particularly girls are assisted in their education by funding school fees. MACS funds the repair and upgrading of clergy houses and the installation of roofs on well-built churches. Women's training groups can apply for funds. MACS assists in water projects, repairing dams and boreholes and building water tanks.

c. Main activities undertaken to further the charity's purposes for the public benefit

The trustees have referred to the Charity Commission's guidance on reporting on public benefit when reviewing our aims and objectives and planning activities. We work with the church and other Christian organisations in Malawi whose support is available to everyone in Malawi irrespective of their race, religion or nationality and the trustees have ensured that the activities undertaken will contribute to the aims and objectives of the charity. The trustees are therefore confident that the charity meets the public benefit requirements.

MALAWI ASSOCIATION FOR CHRISTIAN SUPPORT CIO

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Achievements and performance

a. Governance

1. Meetings: Trustees meet to monitor projects, allocate funds, approve new projects, review policies and address issues of strategy. We have met six times since our last Annual Supporters Day. Five meetings have been on Zoom, in preference to coming into London using public transport and then we met in person, in London, in September 2022. By holding meetings virtually, a considerable amount of our UK expenses has been saved: no rental costs for meeting venues, no trustees' travel expenses etc.

The Covid working group set up in 2020 did not need to meet at all in the last year as no requests were made for help with Covid prevention.

Following the success of the virtual Annual meeting of Supporters in 2021 we agreed to continue to meet on Zoom in 2022 but that we are likely to revert to an in-person meeting in 2023. Blended meetings are tricky to manage. We hope to take into consideration the views of many of our supporters before we make a final decision on this matter.

2. Trustees: Trustees remained unchanged throughout the year.

3. Communications with supporters: Margaret Campbell has produced two newsletters which went out in February 2022 and the most recent one in September 2022. We also produced our 2022 Appeal and, more recently a legacy leaflet that has been distributed to all our supporters. We have continued to contact supporters with new bank details for Standing Orders encouraging them to close their Standing Orders to Santander and set up new ones for MACS CIO with Barclays.

The Annual Gift List was produced in the autumn 2021 in a new format and resulted in limited support. We decided to limit the Gift List to one specific item in 2022-23 to see if this is more popular. This will feature Pencils for Schools.

Our 2022 appeal to raise funds for solar back up for St Michael's Girls' Secondary school was well supported and the work was all carried out during the recent school holidays.

4. GDPR compliance: We continue to maintain a list of all supporters and those who receive publications either by email or post. The MACS privacy policy is available on our website and is reviewed annually.

5. Safeguarding: Margaret Campbell is our Safeguarding Trustee. With her guidance, and in line with Charity Commission requirements, trustees have drawn up and adopted Safeguarding policies and procedures for trustees and for our Malawi representative. All trustees visiting Malawi are now required to have a Disclosure and Barring certificate as well as safeguarding references. Jointly with the wider Anglican Communion we have continued to encourage the church in Malawi to introduce robust Safeguarding practices. Schools in Malawi have now shared copies of their safeguarding policies with MACS.

6. Remuneration of trustees' expenses: Trustees may claim travel expenses to MACS meetings on an annual basis but no meetings were held in London in the 2021-2022 Financial year. Visits to Malawi are in line with current agreed policy but no visits have been made to Malawi since we last reported to supporters in 2021. Details of all claims appear in the Annual financial report. We were able eventually to recover the airfares from the agent for three trustees who were forced to cancel their trip to Malawi in 2020.

MALAWI ASSOCIATION FOR CHRISTIAN SUPPORT CIO

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Achievements and performance (continued)

b. Projects

1. Applications: During the past year a total of **£83,169** was granted to new projects. We have had far fewer applications than in the past.

2. Monitoring:

(a) MACS Representative in Malawi: Grafiud Tione, our in-country representative, has continued to work throughout the year facilitating the smooth running of projects, disbursing funds, checking on progress, giving advice locally and advising trustees. Grafiud helps the recipients of MACS grants such as individual schools and community groups to open accounts and to manage funds awarded by MACS for particular projects. Trustees remain confident that every attempt is made to ensure funds are spent appropriately. Grafiud's expenses are reviewed and adjusted annually in March.

(b) Care was taken to ensure Grafiud did not feel obliged to travel during the height of the pandemic and that he understood he was only expected to travel to monitor projects as and when he felt it was safe to do so. Thanks to the joys of Zoom and WhatsApp, we are able to keep in much more regular contact with Grafiud now and this is really helpful.

(c) Expert advice: MACS has continued to use local Malawian professionals working alongside Grafiud to assess potential projects, drawing up costed plans, tender documents and in monitoring work. Such partnerships are very helpful and the additional professional backing assures trustees in the UK and our overseas partners of the quality and sustainability of the work carried out in Malawi.

(d) 2021 and 2022 Project Officer's annual trip: these trips have not taken place due to Covid-19 restrictions. Trustees agreed there are too many risks involved in making a trip this year with Covid and travel disruptions. Our Project Officer is planning to make a trip to Malawi in May 2023 along with perhaps two other trustees.

3. Health

MACS is happy to consider a wide range of requests including new buildings, renovations, help with electricity and water, training and financial management.

The major project completed in the last year was the renovation of the operating theatre at St Anne's Nkhotalakota. Even more recently we have been able to put £10,000 towards the purchase of much needed equipment for maternity and neonatal care at the same hospital.

The renovation of two staff houses at St Martin's hospital, Malindi, has also been undertaken. We prefer to renovate houses as there is limited land available on the site for new builds. Improved housing helps with staff retention.

4 Education

MACS supports the education of young people in Malawi through the paying of fees in Bursary Schemes as well as supporting in practical ways with building classrooms and providing educational materials etc.

Fees have been paid for 64 students, the majority of whom are girls, at Malosa Secondary School, St Michael's Girls' Secondary School, Bishop Mtekateka Secondary School and various Community Day Secondary Schools (CDSS). We have recently reviewed the Bursary scheme to ensure that we can continue to commit to paying for a full four years' education for students once they enter the Secondary education system.

5 Parish and Diocesan Support

Malawi suffered devastating floods this year and £2,000 was sent to the Diocese of Southern Malawi through the Anglican Council of Malawi (ACM) to help with relief efforts.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022

Achievements and performance (continued)

6. Community and Training

Chilema Ecumenical Training Centre continues to train students from rural areas. Many of them are women. We agreed to increase support for students this year: 90% of the fees for 10 students are now paid for both courses running within the year ie the January and the July intake. We have also undertaken recently to pay for the renovation of an existing room to become a temporary library while plans are drawn up to provide a bespoke library and additional classroom. This will enable Chilema to receive formal course accreditation within Malawi thus raising its profile.

c. Fundraising

We are especially grateful to all our supporters who have continued to donate and support the work of MACS throughout the past year. In particular, one of our trustees, Richard Davies, has recently raised well over £2500 for education by being sponsored for 50 days to use only technology that was available to him when he married, 50 years ago. We are most grateful to Richard and Wylva, his wife, for completing this fundraising challenge. It has meant our Website remained unchanged for some time but Richard is now back online and updating everything. If anyone has come good ideas for fundraising, please let us know so we can support you in any way.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserve policy

The trustees have agreed that unrestricted reserves should be maintained at a level equivalent to 3 months expenditure excluding grants. This would indicate that the minimum reserves at 31st March 2022 should be £4,094. The actual unrestricted reserves amounted to £30,504.

c. Financial summary

The income for the year was £133,711 as compared to the previous year of £111,874. The expenditure for the year was £99,545, as compared to £240,722. As a consequence, the surplus was £34,166, compared to a deficit of £128,848 in the previous year.

The trustees allocate grants on the basis of the receipt of suitable applications and meet regularly throughout the year to review applications and made grants accordingly.

Grants of £83,169 (2021: £218,716) were approved during the year. At the end of the year £42,523 (2021: £147,956) had not been distributed. The trustees anticipate that these funds will be disbursed by the end of the current year.

d. Principal funding

We are extremely grateful to all our supporters who raise funds and show interest and support throughout the year. Colin Gardner has continued to monitor the use of funds donated through the Gift List.

MALAWI ASSOCIATION FOR CHRISTIAN SUPPORT CIO

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

e. Our supporters

As always, we remain indebted to all MACS supporters, be they individuals, churches, schools or other groups of people. Your financial as well as your prayerful support are greatly appreciated. Together with the people of Malawi, we are working towards a better future.

Structure, governance and management

a. Constitution

Malawi Association for Christian Support has been a registered charity since 2nd September 1993 (number 1025616). However, the trustees considered that this model was not suitable to today's methods of operating and decided that the conversion of the charity to Charitable Incorporated Organisation (CIO) was the appropriate way to proceed.

Consequently, at their meeting on 8th April 2019 the charity trustees agreed to convert the charity into a CIO. At their meeting on 18th November 2019 the trustees approved the constitution of the CIO and it was signed on 28th November 2019 by four of the trustees on behalf of all the trustees.

An application was submitted to the Charity Commission for registration of the CIO and this was issued on 3rd March 2020 with the number 1188309. An application was made to the Charity Commission for approval for the transfer of the undertaking, assets and liabilities of the charity to the CIO. This was received on 12th August 2020.

At the Annual General Meeting of the charity held on 19th September 2020 approval was given for the transfer to be made on 1st January 2021 and the transfer was made on that date.

The charity continues to be in receipt of donations by way of standing orders and the trustees are continuing to persuade donors to transfer their donations to the bank account in the name of the CIO. Once this has been achieved the charity will be closed.

b. Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the CIO Foundation.

c. Organisational structure and decision-making policies

Trustees claim travel expenses to MACS meetings on an annual basis. Visits to Malawi are in line with current agreed policy and details of all claims are in the Annual financial report.

MALAWI ASSOCIATION FOR CHRISTIAN SUPPORT CIO

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022**

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the CIO Foundation. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

.....
Julie Lupton
Trustee

MALAWI ASSOCIATION FOR CHRISTIAN SUPPORT CIO

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 MARCH 2022**

**Independent Examiner's Report to the Trustees of Malawi Association for Christian Support CIO
(‘the charity’)**

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2022.

Responsibilities and Basis of Report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (‘the 2011 Act’).

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

MALAWI ASSOCIATION FOR CHRISTIAN SUPPORT CIO

**INDEPENDENT EXAMINER'S REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022**

Independent Examiner's Statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

Signed:

MALAWI ASSOCIATION FOR CHRISTIAN SUPPORT CIO

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. General information

Malawi Association for Christian Support CIO is an unincorporated charity registered in England and Wales. Its principal office address is The Cottage, 72 North Street, Biddenden, Kent TN27 8AS.

During the year, the activities of the charity were transferred from an unincorporated entity (charity number 1025616) to a CIO. These accounts have therefore been prepared on a merger basis and the comparative figures are those of the unincorporated entity from which the activity was transferred.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Malawi Association for Christian Support CIO meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the charity has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the charity, can be reliably measured.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Where the donated good is a fixed asset, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset class and depreciated over the useful economic life in accordance with the charity's accounting policies.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the charity which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

MALAWI ASSOCIATION FOR CHRISTIAN SUPPORT CIO

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.3 Expenditure (continued)

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Motor vehicles	-	20% straight line
----------------	---	-------------------

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.9 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
